

THE WHITBY HIGH SCHOOL GUIDE TO POST RESULTS SERVICES – A LEVEL

If you are unhappy with your mark, you may have your exam script reviewed. Speak with Mrs Begbie or your subject teacher. Candidates should be aware that reviews might result in the **lowering** of a grade. The costs for this service are indicated on the table below.

If you would like to see a copy of your script before deciding to proceed with a remark this can be requested for AS and A2 exams only and must be requested by the **deadline for priority copies shown**.

If your University place is pending it is recommended that you go straight for a priority remark by the deadline shown. Review of coursework units cannot be submitted by individuals and will be at the discretion of the school. The return of original scripts can be requested by the deadlines shown. Mrs Begbie or your subject teacher will be happy to discuss the options available to you on **results day**.

Fees and a consent form must be submitted prior to the request being processed.

What services are available after results have been released?

Service 1 (Clerical re-check)

This is a re-check of all clerical procedures leading to the issue of a result.

This service will include the following checks:

- that all parts of the script have been marked;
- the totalling of marks;
- the recording of marks.

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate's script.

The awarding body will have trained its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script.

This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above.

Candidates should be aware that a review of marking might result in the lowering of a grade.

Priority Service 2 (Review of marking)

This is a priority post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate's script.

The service is available for externally assessed components of both unitised and linear GCE specifications.

It is only available if a GCE A-level candidate's place in higher education is dependent on the outcome.

Any applications not meeting this criteria will be treated as normal Service 2 requests.

- Submit the application on-line.
